Kantavierre °P	11.8 Plato
Oluttyyppi	Hefeweizen

Luonnehdinta

Fragrance and taste of the “yeast-cloudy” wheat beer are distinguished by a refined top-fermented flowery-yeast character and an unmistakable, distinct banana aroma. First sensation on the taste buds is full-bodied, very soft and mild with a lively, champagne-like sparkle. A light, typical wheat beer taste is expressed, the bitter tone of which can scarcely be detected. The sparkingly refreshing Ayinger Bräuweisse will impress every wheat beer connoisseur with the first mouthful.

Ruokasuositus

Tuottaja

Beer in Bavaria has had an exceptionally high value since time immemorial. It is not just the proverbial “liquid bread” alone, but rather also the social “cement” of their culture, in which values such as conviviality, community, honesty, reliability and solidarity with the homeland play a major role. The Ayinger Brewery is known for more than 140 years for excellent beer specialties and is one of the most renowned breweries in Europe. The quality of beer, consistently awarded numerous prizes for its excellence, is consequently not just based on the select ingredients of the region and the capacities of Ayinger's brewing art. Equally important is the spirit, the mindset, the very values with which Ayinger has performed their craft for over 140 years.
